Mr. K. Sreenivarachar has been strongly recommended by the Senior Surgeon for the Sub pro-tem Vacancy in the grade of Asst Surgeons, with effect from 10.5.16. The four Sub Asst Surgeons of the 1st class referred to in para 3 of the Senior Surgeon's letter have been selected for promotion x in the order of Seniority and there seems to be no objection to their appointment as Asst Surgeons, 7th class, temporary. These appointments may, if appd, be considered now and after the question of appointing Mr. Gundopanth also as an Asst Surgeon may, if appd be considered separately after issue of the notification re: Sanctd appointments.

(a) whether the promotion of Mr. Srini-Vasachar over the heads of several medical graduates of the Service having longer service and who have been long looking forward to chances of promotion would be fair and not be resented!

(b) whether in the next place, are the 4 officers now recommended in order of seniority can be accepted as eligible for promotion?

Sir,

With reference to Government order No.7871-2-Med 117-14-2, dated 22nd April 1916, I have the honor to make the following recommendations for filling up the one sub-pro-tem and four temporary vacancies referred to therein.

2. For the sub-pro-tem vacancy I recommend 4th class Sub Assistant Surgeon Mr.K.Srinivasachar (M.B.,C.M.). This medical subordinate had an exceptionally brilliant career as a medical student. He stood first in the final examination qualifying for the Sub Assistant Surgeon's grade and won the gold medal and a certificate of honour in Hygiene. He entered service as a last class Sub Assistant Surgeon (on Rs.25) on the 19th August 1908 and after serving for about three years, obtained combined leave for four years and ten months to study for the M.B.,C.M. Degree, with effect from the 8th July 1911. In his collegiate course, he not only passed all the intermediate examinations in due time but passed the final M.B.,C.M. degree examination -- this year, being one of the seven successful candidates - for the whole Presidency of Madras. His exceptionally bright career as a medical student and my personal experience of his work as Sub Assistant Surgeon while I was in

charge of the Victoria Hospital, enable me to say with confidence that he will turn out a very capable medical officer. His case therefore deserves first consideration.

3. For the four temporary vacancies sanctioned in the order, I recommend, in the order of their seniority, four of the Medical Graduates who are now serving as 1st class Sub Assistant Surgeons from the dates mentioned against their names and who have done good work,-

(1) Mr.S. Varadiengar, L.M.& S. 9-11-1911
(2) " M.G.Deendayal Singh, L.M.& S. 11-11-1911
(3) " P. Rajagopala Naidu, -do- 3- 1-1912
(4) " C. Narayana Rao, -do- 16- 6-1912

4. Although the four subordinates named above entered the service as 1st class Sub Assistant Surgeons by reason of their being medical graduates, yet Mr.Srinivasachar deserves to be treated as senior to them as he entered the service much earlier (19th August 1908) and has acquired a higher professional qualification. I therefore request that the appointment of Mr.Sreenivasachar may kindly be ordered to be given effect to from the 10th of May 1916, the date on which he reported himself for duty after passing his examination. He will be absorbed in the first vacancy occuring in the permanent sanctioned strength of the grade of Assistant Surgeons. In the case of the others the promotion may have effect from the date of the order.

5. A revised list of distribution of Assistant Surgeons will be submitted after the promotions recommended herein are sanctioned by Government, when I shall be in a position to submit proposals for their postings.
